## Experience

Art Handling and Gallery Installation San Jose, CA

- Collaborated in handling and installing artwork from SJSU archive collection according to standard museum and gallery requirements for class exhibition.
- Managed and coordinated set up of personal and student artwork for exhibitions in the SJSU art galleries according to installation blueprints and design sketches.
- Assisted and coordinated deinstallation processes such as removing artwork, shelves, pedestals, and hanging hardware, patching and repainting walls, and sweeping and mopping floors.
- Troubleshooted installation needs (i.e. technology and installation layout/design) collaboratively and individually to ensure safe, completed, and professional exhibition.
